Child and Adult Care Food Program

Household Letter For Child Care Programs (DCH and Centers)

Dear Parent/Guardian:

Young children need healthy meals to learn. This letter is intended for parents or guardians of children enrolled at either a child care center or a family day care home.

Name of Center or Day Care Home

offers healthy meals to all enrolled children as part of our participation in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). The CACFP provides reimbursements of the CACFP by completing the attached Income Eligibility Statement form. In addition, by filling out this form, we will be able to determine if your child (ren) qualifies for free or reduced price meals. Below are answers to common questions about the Program:

Do I need to fill out an IES form for each adult in day care? Yes. Complete and submit one IES form for each child in your household that is enrolled in a day care center or family day care home. We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information. Return the completed form to: Youth Educational Services, Inc. 2321 Main Street, Tucker, GA 30084 phone: 770-938-3188 fax:770-938-6869.

1. **If your child (ren) is/are enrolled in a family day care home, please do not return this form to your family day care provider.**
2. **Who can get reduced price meals?** Your children can get low cost meals if your household income is within the reduced price limits on the Federal Income Chart, should on this application.
3. **May I fill out a form if someone in my household is not a U.S. Citizen?** Yes. You or your children do not have to be U.S. citizens to qualify for meal benefits offered at the center or day care home.
4. **Who should I include as members of household?** You must include all people in your household, related or not (such as grandparents, other relatives, or friends who live with you). You must include yourself and all children who live with you.
5. **How do I report income information and changes in employment status?** The income you report must be the total gross income listed by source for each household member received last month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as a basis to make this projection. If you household's income is equal to or less than the amounts indicated for your household's size on the attached Income Chart, the family day care home or center will receive a higher level of

reimbursement. Once properly approved for free or reduced price benefits, whether through income or proof of benefits as supported by a current Food Stamp, Temporary Assistance for Needy Families (TANF) or Food Distribution Program on Indian Reservations (FDPIR) case number, you will remain eligible for those benefits for a period not to exceed 12 months. You should, however, notify us if you or someone in your household becomes unemployed and the loss of income during the period of unemployment causes your household income to be within the eligibility standards (participants with family members who become unemployed are eligible for the free or reduced-price meals during the period of unemployment, provided that the loss of income causes the family income, during the period of unemployment, to be within the eligibility standards for those meals).

6. What if my income is not always the same? List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include but not if you only get it sometimes.

7. What if I have foster children? In certain cases foster children are eligible for free or reduced-price meals regardless of the income of such household with whom they reside.

Households wishing to apply for benefits for foster children should contact
Youth Educational Services, Inc. 2321 Main Street, Tucker, GA 30084 phone: 770-938-3188 fax:770-938-6869

8. We are in the military. Do we include our housing allowance as income? If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. All other allowances must be included in your gross income.

9. (Centers with Pricing Programs only) Will the information I give be verified? Maybe. We may ask you to send written proof to verify the information you submitted on the form. **What if I disagree with the decision about the information I complete on this form?** You should talk to your sponsoring organization. You may ask for a hearing by calling or writing to: Youth Educational Services, Inc. 2321 Main Street, Tucker, GA 30084 phone: 770-938-3188 fax:770-938-6869
