

USDA recognizes that in this public health emergency, waiving the congregate meal requirements is vital to ensure appropriate safety measures for the purpose of providing meals and meal supplements. Therefore, meals do not have to be served in a congregate setting. Enrolled children at centers can take sack meals and snacks (**Grab-and-Go meals**) that meet the CACFP meal guidelines home.

Children do **NOT** have to be present to participate in “**Grab and Go**” feeding program. Parents may have access to meals for their child (ren) during this pandemic time.

All record keeping requirements must be maintained for **reimbursement (using weekly attendance and meal count sheets or the information below)**

All participants receiving “**Grab and Go**” meals must be enrolled in your center. If the participants were not previously enrolled, an enrollment/IES form is required.

As the parent or legal guardian of the child below, I hereby give my full consent and approval for my child to participate in “**Grab and Go**” meal service.
